how have poets in recent centuries been able to inscribe recognizable and relatively sincere voices despite the wearing of poetic language and reader awareness of sincerity s pitfalls how are readers able to recognize sincerity at all given the mutability of sincere voices and the unavailability of inner worlds what do disagreements about the sincerity of texts and authors tell us about competing conceptualizations of sincerity and how has sincere expression in one particular illustrative context russian poetry both changed and remained constant an indwelling voice grapples uniquely with such questions in case studies ranging from the late neoclassical period to post postmodernism it explores how russian poets have generated the pragmatic framings and poetic devices that allow them to inscribe sincere voices in their poetry engaging anglo american and european literature as well as providing close readings of russian poetry an indwelling voice helps us understand how poets have at times generated a powerful sense of presence intimating that they speak through the poem

no detailed description available for towards a voice in the public sphere

this book is an in depth study of the voice systems of totoli balinese indonesian and tagalog which shows that the symmetrical nature of these systems poses a problem to current linking theories it provides an analysis of symmetrical linking within two grammatical theories lfg rrg and develops a modified lfg linking mechanism that sheds light on the differences as well as the similarities of symmetrical and asymmetrical voice systems

doctoral thesis dissertation from the year 2008 in the subject law comparative legal systems comparative law grade cum laude university of augsburg prof dr m llers course rechtsvergleichung kapitalmarktrecht language english abstract to the point four years ago the german act establishing the federal financial supervisory authority findag provided for a one stop financial services agency bafin which was to succeed three formerly independent public authorities for the supervision of banking insurance and securities whereas this on stop shop approach has been both acclaimed and criticized

the us securities and exchange commission from its very beginning administered the areas of corporate finance market regulation and investment although the missions of both supervisory authorities correspond the powers transferred and thus the means of operations differ sharply limited to the supervisory power for capital markets the thesis will analyse the agencies historical development governing law operations and legal means and conduct an estimate of their economic efficiency a comparison will help to provide suggestions for further legal design and development of the bafin in the following years veronika fischer geb 1982 promovierte nach dem studium der rechts und wirtschaftswissenschaften universität augsburg und dem abschluss als mba university of dayton im internationalen kapitalmarktrecht mit einem us forschungsaufenthalt university of north carolina sie ist einer internationalen unternehmensberatung tätig

lacey has a woman living inside her head or is it the other way around decades from now technology has advanced and everyone has a neuro net wired into their brain this provides each person with a voice inside their head that offers advice that guides and ostensibly protects them as teen lacey clarke puts it voices help us all make the right decisions they give us reason protect us from outside chaos and in some cases they protect us from ourselves in this republic lacey and her older sister yadira barely make ends meet their lives are made worse when they discover they must pay off their late father's debt and that lacey has been marked to become a puzzler in a brainteaser competition in which losers are killed alina lacey's voice reassures her everything will be fine if only they follow the rules but when an encounter with ogden oliver a powerful elite ends with alina being temporarily deactivated lacey is left alone with her own thoughts for the first time in her life she is able to perceive the world as it actually is without augmented reality illusions as lacey navigates the competition she realizes she may be a pawn but one that has hitherto unknown power cover art paramita bhattacharjee troy edward nikolic

more than fifty years after the beginning of the women's movement women are still not making it in traditionally male careers women start their careers on parity with men but generally end them far earlier having achieved less status lower compensation and less satisfaction than men breaking through bias explains that it is the stereotypes about women men work leadership and family that hold women back and it presents an integrated set of communication techniques that women can use to avoid the discriminatory consequences of these stereotypes this highly practical book makes clear that women don't need to change who they are to succeed in their chosen careers and

they certainly don't need to act more like men women do however need to be attuned to the negative gender stereotypes that surround them they need to anticipate the biases these stereotypes foster and they need to manage the impressions they make to avoid or overcome these biases breaking through bias presents unique practical and effective advice about how women can at last break through gender bias in the workplace and win at the career advancement game
