Asia's legendary playwright director Stan Lai has written one of the unique works of our time explaining that the mysterious act of creativity is actually a traceable function of mind and there is a path to learn creativity through unlearning many of our habits picked up in life. His special map as well as tailor-made exercises lays out an awe-inspiring yet practical guide from a lifetime of creative work revered in Asia by artists and business leaders alike. Through his extensive experience, the greatest living Asian playwright shows us how to cultivate a creative app that works within us. Matthieu Ricard says Stan Lai teaches us how to see and how to do, praised by Jack Ma, Ang Lee, and other luminaries. This book is a rewrite by the author of his book that is the most prominent work on creativity in China, having sold over 700,000 copies. Robert Wilson calls the work foundational support for arts and culture. Stan Lai is uniquely qualified to write on

creativity because he not only has four decades of creative experience widely acclaimed as the greatest playwright in the chinese language but is also a dedicated educator shannon jackson calls the work a must read from an internationally renowned artist can creativity be taught most of the books and training in this area deal with skills for jumpstarting alternative thinking brainstorming and other exercises but do not deal with creativity itself they don t tackle the obvious question what is creativity and how can i get it as one of the world s leading artists lai explains that the reason we don t think creativity can be taught is that we don t really understand what happens in the mysterious process by slowing down the moment of inspiration lai lets us see exactly the elements involved in this complex process that lasts only an instant then he shows you how to prepare for this moment through his unique map of creativity this is a whole path of training in creativity which he explains clearly and humour and compassion and tailor made exercises travis preston says stan lai guides us to the center of the creative moment and the ultimate unity of the spiritual and physical worlds creativtrity is a milestone in understanding and learning the creative act born in america raised in taiwan with a career spanning the chinese diaspora lai believes that we are all born creative but the source to creativity has been blocked by life how to take down the barriers that are blocking the source from us is a task of un learning many things that have become habits and put us into a so called non creative mode taking his cue from his buddhist training that wisdom and method are both needed for success in any endeavour he explains how wisdom has mysteriously vanished from education systems all over most teaching in creativity focuses on method which one learns in one s art but we need another type of training more urgently the training for wisdom which can only happen in the domain of life to do you must first be to discover your creativity you must first discover yourself octavian saiu says this book is not a manual but a statement of belief an enduring message about how each of us can go beyond our limits

most people tend to idealize artists writers and others of the creative class as uniquely gifted but the capacity to create is part of being human whether that means writing making art cooking gardening sewing dancing acting singing or virtually any activity in chi and creativity kaleo ching and elise dirlam ching show readers how to use a wide range of strategies to harness the energy of chi to uncover and cultivate that often elusive inner artist based on their popular workshops the authors offer an integrative process to generate the joy wonder and sense of well being necessary for artistic self expression specific exercises draw on everything from acupressure and breathing techniques to chi kung movement and meditation through chi awareness the body mind emotions and spirit come into greater harmony through guided imagery they dialogue through journaling they speak through art they join in creative expression of the inner discoveries along the path to greater balance and integration chi and creativity is the authors way of sharing this magical transformative process and can be used by anyone who wants to add fuel to their creative fires
