a new introduction to classical chinese introduces the reader to the classical chinese of the ancient world through the presentation of text passages with grammatical commentary beginning with mencius the work which purports to contain the teachings of the first great disciple of confucius and passages from other writers of the fourth and third centuries bc the author progresses to selections from the great han dynasty historian ssu ma ch ien who became a model for future generations of chinese writers this book has become a standard work for use in universities as well as for private study the introductory material employs the wade giles system of romanization which has been used for the great majority of academic works but the bulk of the book also offers the reader the alternative of employing the now standard pinyin romanization this is a redesigned re issue of a new introduction to classical chinese which in 1985 replaced the author s an introduction to classical chinese first published in 1968 the notes were entirely revised and the amount of text nearly doubled the book goes beyond the fourth century to include material from the great han dynasty historian ssu ma ch ien who perfected a narrative style that became a model for future generations of chinese writers

in just thirteen brief accessible chapters this engaging little book takes absolute beginners from the most basic questions about the language e g what does a classical chinese character look like to reading and understanding selections from classical chinese philosophical texts and tang dynasty poetry an outstanding introduction to reading classical chinese van norden does a wonderful job of clearly explaining the basics of classical chinese and he carefully takes the reader through beautifully chosen examples from the textual tradition an invaluable work michael puett harvard university

this beginner friendly guide teaches you how to speak chinese quickly and easily by drawing parallels with something you already know english chinese is a fascinating language that can seem quite difficult to learn at first but can be picked up easily if you focus on practical daily conversations this revised edition contains new dialogues cultural notes it and social media vocabulary and new manga illustrations designed for anyone who wants to speak and understand conversational chinese whether for business pleasure or travel to china this lighthearted guide makes language learning fun

real life dialogues and situations help you to converse with confidence sentence pattern exercises and drills help to reinforce what you are learning native speaker audio recordings enable you to pronounce chinese vocabulary accurately interesting notes idioms sayings and poems introduce you to chinese culture chinese for beginners contains many extra hints and tips drawn from the authors many years of experience in teaching the language to foreigners answer keys for the exercises are provided and an extend your vocabulary section in each chapter helps you to remember and understand more words than you d think possible

chinese civilization sets the standard for supplementary texts in chinese history courses with newly expanded material personal documents social records laws and documents that historians mistakenly ignore the sixth edition is even more useful than its classic predecessor a complete and thorough introduction to chinese history and culture

a study of the chinese language tracing its history from its beginings in the second millennium bc to the present day

mastering chinese is a modern engaging highly illustrated course in mandarin chinese teaching conversational skills good pronunciation and the beginnings of reading and writing the intriguing chinese script based on the author s 10 years of experience teaching chinese in the uk and in china this carefully structured and well paced course will soon give you the confidence to communicate well in chinese in both social and business settings designed for complete beginners with a wealth of interactive practice to build your confidence teaches mandarin chinese which is spoken by over one billion people and is the official language of mainland china taiwan and singapore suitable for study at home or in the classroom learn at your own pace with this friendly fun and fascinating introduction covers a variety of everyday situations you will encounter in china on holiday or travelling for business full of cultural insights to help you understand the customs and practices of modern china additional material is available to accompany this book at [palgrave.com/modernlanguages/xiang](http://palgrave.com/modernlanguages/xiang)

my first book of chinese words introduces young children to basic words and concepts in the chinese language through colorful rhymes and beautiful imagery it is a book that parents and young children will enjoy reading together the chinese words in the book

are all common everyday items and the rhymes are informative and fun for children the goal of my first book of chinese words is to familiarize children with the basic sounds and written characters of chinese to introduce core concepts of chinese culture and to illustrate the ways in which chinese sounds differ from english ones teachers and parents will welcome the cultural notes at the back of the book and appreciate how the book is organized using a familiar abc structure each word is presented in chinese characters both simplified and traditional as well as romanized pinyin for easy pronunciation with the help of this book we hope more children and adults will soon join the more than one billion people worldwide who speak chinese
